Dear Colleagues,

I wish to thank you for your active participation in the recent petition drive requesting President Biden to exonerate my father, Marcus Garvey.

The public response was overwhelming thanks to your efforts and especially that of Dr. Goulda Downer and the Caribbean Political Action Committee who organized the project.

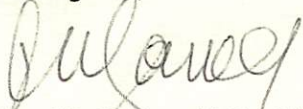

I want to assure you and all those interested in social justice that we will continue in the political and legal arena until the job is done.

We will not allow those who oppress us to determine who our heroes are.

One God! One Aim! One Destiny!

Thanks!

Best Regards,

Julius W. Garvey, M.D., O.J.
